ARRIVAL

The first five minutes

Welcome to Sea View Cottage! We're so glad you're here and hope you enjoy your time near the Miami coast. Make yourself at home, and reach out to your host if you need anything during your stay.

CHECK-OUT

Ask your host

- Gather all personal belongings from every room
- Take out the trash
- Load and start the dishwasher if you used dishes
- Turn off all lights and fans
- Make sure windows and doors are closed and locked
- Leave the key where instructed by your host

IN AN EMERGENCY

In a true emergency, call 911 right away. For anything urgent but not life-threatening, reach out to your host directly and they'll help you sort it out.

01

Check-in

1. Your host will send you the specific arrival details and how to get inside.
2. If anything is unclear when you arrive, reach out to your host directly and they'll walk you through it.

02

WiFi

Your host will provide the network name and password. If the connection drops during your stay, try restarting the router, and contact your host if you're still having trouble.

03

House rules

Treat the space with care and leave it in the condition you found it. Keep noise to a reasonable level, especially in the evening, out of respect for neighbors. If you have questions about specific rules, your host is the best person to ask.

04

Amenities

Sea View Cottage is set up to make your stay comfortable. Take a look around when you arrive to see what's on hand, and don't hesitate to ask your host if you're looking for something specific.

05

Quirks of the home

Every stay has a few small things worth knowing. Your host will point out anything you should watch for that isn't obvious right away, so keep an eye out for any notes they leave for you inside.

06

Getting here

The address is 123 Ocean Ave, Miami, FL. Use your preferred map app to get exact turn-by-turn directions to the door. If you get stuck along the way, your host can help talk you in.

07

Parking

Your host can tell you exactly where to park when you arrive. Let them know ahead of time if you're driving so they can point you to the right spot.

08

Getting around

Miami has rideshare service and public transit options if you'd rather not drive everywhere. For getting around the immediate area, walking is often a pleasant option given the coastal setting.

09

Groceries

You'll find grocery stores throughout the Miami area for stocking up during your stay. A quick search on your map app will show you the closest option to Ocean Ave.

10

Emergency info

911

IN AN EMERGENCY, CALL

Police, fire and ambulance
